About Community Healthcare Network:

Community Healthcare Network (CHN) is a not-for-profit organization providing access to affordable, culturally-competent and comprehensive community-based primary care, mental health and social services for diverse populations in underserved communities throughout New York City. CHN serves more than 65,000 individuals a year who would otherwise have little or no access to critical health care. CHN is composed of 10 federally qualified health centers and is accredited by the Joint Commission. To learn more about CHN visit our website at www.chnnyc.org.
